THE SECRETARY TO THE GOVT. OF MYSORE,
in the GENERAL AND REVENUE DEPARTMENTS.

Sir,

With reference to G.P.No. 13532-3/9139 of the 17th February 1902 sanctioning the retirement of Sanad Daffedar Channa Naik of the Sagar Taluk, I beg to forward herewith for the favourable orders of Government copies of the marginally noted Correspondence between this office and the Comptroller who has returned the application referred to in the above proceedings for observation that no report can be

be made on it unless the class of pension is defined. The Daffedar in question was ordered to be retired from the service on account of his inefficiency and the sanction of Government for it was also subsequently obtained. This is a peculiar case and does not fall under any of the classes of pension for superior service or inferior service enumerated in Arts: 276 & 277 of the Service Regulations. Any gratuity which the Govt: is pleased to grant to him would be purely a compassionate allowance and I beg to point out that provision is made for such cases in art 479 (a) of the service regulations. Moreover the tenor of arts 231 & 271 of the regulations shows that it is not the intention of the Government to deprive men of this class of all concessions.

I beg therefore that the Government

Government, may be moved to direct
the Comptroller to report on the ap-
plication for gratuity and sanction
the gratuity he would have been en-
titled to if he had been invalid-
ed, under the ordinary rules.
